Exn of blood and the like could be included in the Cost of maintenance. Some of the R.A. members were of opinion that no charge shd. be levied for X-rays, blood exn & that all cases shd. be free service. The 3rd member merely asked whether this free service shd. extend to the patients coming in from the C.F.M. station. He was not thinking, at the moment, of the payment recd from the Residency for the maintenance of these patients — The position may be explained to the Residency.

FROM Major G. Loch,
SECRETARY TO THE RESIDENT IN MYSORE,

To The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

GEN. & REV. SECTT. 1. NOV. 1929 G. D. SECTION.

Dated Bangalore, 31st October, 1929.

Subject.

Maintenance Charges of the mental patients of the Civil and Military Station of Bangalore admitted into the Mental Hospital, Bangalore City.

Pol. 611

SIR,

I am directed to refer to the statement of the Third Member of Council of the Mysore Government, which appears on page 67 of the printed copy of the Proceedings of the Mysore Representative Assembly (Dasara Session), October-November, 1928, to the effect that the Mysore Asylum contained a considerable number of inmates from the Civil and Military Station, and that there was no reason why even they should not pay for the cost of their maintenance.

2. I am to point out that the Administration of the Civil and Military Station of Bangalore pays to the Government of Mysore the cost of the maintenance of mental patients of the Civil and Military Station, who are sent for treatment to the Mental Hospital, Bangalore City, and to request that the fact may be brought to the notice of the Third Member.

3. I am also to ask that, when a suitable opportunity occurs, the position may be explained to the Members of the Representative Assembly

I have the honour to be,
Sir,
Your most obedient servant,

G. Loch
Major.
SECRETARY TO THE RESIDENT.

Pol.№591 9 25.11-29.

To

The Secretary to the Resident.

Sir,

Please refer to your letter No. 9232/47 A/1896, dated the 31st October 1929, regarding the remarks of the Third Member of Council in the matter of the maintenance charges of the mental patients of the Civil and Military Station, Bangalore, printed in the proceedings of the October Session of the Representative Assembly in 1928.

With reference to the above, I am directed to state that the question before the House at the time was whether the cost of maintenance of the mental patients should include " any other items " such as the cost of X-ray photographs, examination of blood etc. Some of the Representative Assembly Members being of the opinion that such service should be free, the Third Member of Council merely asked the House why such free service should extend to the patients of the Civil and Military Station also. He was not thinking at the moment of the present cost of maintenance of mental patients. He was quite aware of the fact that such cost was being recovered from the Civil and Military Station authorities.

I am to add that the printed proceeding are not full but contain only an abstract of

of the discussion.

The

I am directed to acknowledge your letter No. 9232/47 A/1896, dated the 31st October 1929, regarding the remarks of the Third Member of Council in the matter of the maintenance charges of the mental patients of the Civil and Military Station, Bangalore, printed in the proceedings of the October Session of the Representative Assembly in 1928.

With reference to the above, I am to state that the question before the House at the time was whether the cost of maintenance of the mental patients should include " any other items " such as the cost of Xray photographs, examination of blood etc. Some of the Representative Assembly Members being of the opinion that such service should be free, the Third Member of Council asked the House why such free service should extend to the patients of the Civil and Military Station also. He was not referring to the present cost of maintenance of mental patients. He was quite aware of the fact and the Representative Assembly was also aware that the cost on the present basis was being recovered from the Civil and Military Station authorities.

I am to add that the printed proceedings are not full but contain only an abstract of the discussions.
